

Williamston Soccer Spring Fundraisers

This year we will be doing a Gift Card fundraiser for both The Brookshire restaurant and also Christians Greenhouse.

This is how it works, you can sell Brookshire Gift cards in denominations of either \$25 or \$50, collect the money, make a list and turn both into Tom Tuggle on or before March 24th and then on the week of March 28th they will be distributed back to you to pass back out to the purchasers.

Christian's gift cards will work the same way except that the denominations are in \$20 increments and Susie Hitchcock will be collecting the funds for these and getting the gift cards back to everyone.

This is a great way to support local businesses, and also make some money for the Williamston Soccer Boosters. The soccer program benefits 20% off the total amount of gift cards sold. Everyone enjoys going to sit on the Brookshire deck in the spring and summer, and everyone loves to buy flowers for the summer.

Please send an email, put on FaceBook or Twitter to let everyone know and raise some money for the soccer program along the way.
